

## Course Name: Powerful Presentations

### Overview of Course

The Powerful Presentation program is designed for those wanting to refine their presentation skills in delivering to both small and large audiences.

### Learning Outcomes

At the end of the course you will be able to:

- Prepare to deliver a powerful presentation to any sized audience
- Understand how to engage, entertain and motivate an audience
- Focus nervous energy
- Deliver a professional presentation during the interview process with a client

### Features and Benefits

- Following the training program, an ongoing coaching program is available for each individual participant
- The workshop enables improvement by video taping client interviews, critique from our coaches and self assessment by participants
- Proven return on investment and improvement in business results.

### Audience

The course is available for Financial Advisers or anyone who is interested in conducted presentations.

### Pre Requisites

This course requires participants to be working within the Financial Planning Industry.

### Course Material

A manual with reference guides will be provided to the participants and post training feedback pack.
